Policy

1. School profile

Belmont Primary School was established in 1856, being one of the earliest schools provided in the Geelong area. The school is situated close to the Belmont shopping and business centre and in the centre of the original Belmont suburb. Strong links with many families whose members attended the school in the past have been maintained. A significant sense of history exists within the school and its community.

Students attending the school largely come from families where one or both parents are employed. The school has a Student Family Occupation around 0.28. The partnership between home and school is very positive with families placing a strong emphasis on education and providing valuable support for the school through School Council, Parents Association and as classroom and special activities helpers. The school also supports families through the provision of a well-run Before and After School Care Program.

Currently the school provides a comprehensive education that reflects the Victorian Curriculum. We take great pride in our work and are committed to seeing our children achieve to a high level in all academic areas. Considerable work in recent years has seen the development of a sequential integrated curriculum plan that incorporates all elements of the Victorian Curriculum, with an increasing emphasis on utilising ICT and multi-media in teaching and learning practices. We are also an active member of the Barwon South Network of schools and engage in numerous network activities designed to improve student learning outcomes.

School values, philosophy and vision

Belmont Primary School's Statement of Values and School Philosophy is integral to the work that we do and is the foundation of our school community. Students, staff and members of our school community are encouraged to live and demonstrate our core values of respect, honesty, responsibility, courage, learning and community at every opportunity.

Our school's vision is to foster and encourage an inclusive community of learners- 'learning together' who are confident, creative and challenged to achieve their full potential within a safe, happy and supportive environment

Our Statement of Values and School Philosophy is available online at: www.belmontps.vic.edu.au
